### Agenda:

- II: Bylaws/Structure: See handout. Council reviewed and approved bylaws.
- III: Dave Jones (visiting): Spoke about how the district sees Flex as a unique, important school of choice. The district is looking to hear from school leadership about what the school needs, how the district is doing, and what they could do better.
- IV: Principal's Report: See handouts. Mr. Brown shared a PowerPoint about the changes that have happened, and continue to happen, at Flex, and why they have happened. Among information shared: School Development Goals, grants received, school initiatives, exploring restorative justice, PBIS, and the change in start time/schedule. Mr. Jones shared that a lot of people are watching Homer to see how the start time changes work for us, and depending on outcome, others may be changing as well.

### For next meeting:

Mr. Brown requested that members think about fundraising ideas and advertising methods. Possible next meeting on October 17 in conjunction with district budget meeting.
