1. District Budget Presentation with South Peninsula schools
  - After whole group presentation, Flex Advisory Council met separately.
2. Flex Advisory Council Meeting Call to Order / Determination of a Quorum
3. Adoption of Agenda
4. Reading/ Adoption of the Minutes
5. Old Business
6. New Business
  - Flex Celebrations:
    - Restorative Practices implementation, including counselor Ingrid Harrald becoming an IIRP trainer
    - Rotation system implementation and credit increased accrual for students
    - Strong October count and attendance
    - Increased student engagement through diverse elective offerings
  - Budget Reduction Impacts:
    - Flex staffing is outlined in board policy, so not reflective of district PTR, but
    - School Board Revisiting .5 Reduction at Alternative Programs (meeting December 3<sup>rd</sup>)
    - Funding for Project AWARE Mental Health Counselor at the school ends this year, so budget reductions would guarantee loss of position
  - Suggestions:
    - Engage citizens concerned about quality communities but who are ill-informed regarding education and its costs
    - Publicize restorative practices and successes at the school through local media
    - Advocate for funding during upcoming local elections
7. Reports
  - Student/Community
  - Principal: Restorative Justice and Professional Development update
  - Faculty
8. Next Meeting Confirmation / Adjournment
